

Privacy Policy

Our Privacy Policy was posted on 17 November 2018 and last updated on 17 November 2018. It governs the privacy terms of our product Smart Calendar Thync. Any capitalized terms not defined in our Privacy Policy, have the meaning as specified in our user manual accessible <http://www.vitec-visual.com/downloads>.

Your Privacy

Our Smart Calendar Thync follows all legal requirements to protect your privacy. Our Privacy Policy is a legal statement that explains how we may collect information from you, how we may share your information, and how you can limit our sharing of your information. You will see terms in our Privacy Policy that are capitalized. These terms have meanings as described in the Definitions section below.

Definitions

- **Personal Data:** Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).
- **Usage Data:** Usage Data is data collected automatically either generated using the Service or from the Service infrastructure itself.

Information Collection And Use

We collect several different types of information for various purposes to provide and improve the user experience of the Smart Calendar Thync.

Types of Data Collected

- **Personal Data**

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to enable all functionalities of the product. Personally identifiable information may include: Email address, Name and Usage Data.

We may only use your data for to guarantee the functionality of all features of the product. This data may not leave the product and will be used for other purposes than for the functionalities of the product.

- **Usage Data**

We may also collect information such as your calendar data, events data, network data and other informative data.

Calendar data may be:

- Summary
- Calendar ID

Events data may be:

- Title
- Start Time
- End Time
- Creator
- Organizer

Network data may be:

- Access Point Name
- Access Point Password

This information may only be collected the user expressly gives us permission to do so or by entering and confirming it in the Smart Calendar Thync.

If the calendar function of the product is not used and no permissions have been granted for one or more calendar accounts, no calendar and event data may be stored. Smart Calendar Thync also may not collect and store Personal Data.

Use of Data

We use the collected data for various purposes:

- To provide the functionality of the Smart Calendar Thync's calendar function
- To monitor the current stored Personal and Usage Data of the product in your app
- To provide a document with the currently stored Personal and Usage Data

Retention of Data

Smart Calendar Thync will retain your data until the product is reset to factory settings.

Transfer Of Data

Your information, including Personal Data, may not be transferred to — and maintained on — servers located outside the Smart Calendar Thync.

All information may only be stored locally in your product.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Disclosure Of Data

A disclosure of the data is not possible, because the data is only stored on the Smart Calendar Thync and except for the Smart Calendar Thync App not accessible from external.

Security Of Data

The security of your data is important to us but remember that no method of transmission over the Internet, or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

Legal Basis for Processing Personal Data Under General Data Protection Regulation (GDPR)

If you are from the European Economic Area (EEA), Smart Calendar Thync legal basis for collecting and using the personal information described in this Privacy Policy depends on the Personal Data we collect and the specific context in which we collect it.

Smart Calendar Thync may process your Personal Data because:

- You have given us permission to do so
- The processing is in our legitimate interests and it's not overridden by your rights
- To fully enable the functionality of the product

Your Data Protection Rights Under General Data Protection Regulation (GDPR)

If you are a resident of the European Economic Area (EEA), you have certain data protection rights. Smart Calendar Thync aims to take reasonable steps to allow you to correct, amend, delete, or limit the use of your Personal Data.

If you wish to be informed what Personal Data we hold about you use the Smart Calendar Thync App to create a copy of your Personal and Usage Data.

In certain circumstances, you have the following data protection rights:

- **The right to access, update or to delete** the information we have on you.
- **The right to data portability.** You have the right to be provided with a copy of your Personal and Usage Data in a structured, machine-readable and commonly used format.
- **The right to withdraw consent.** You also have the right to withdraw your consent at any time where Smart Calendar Thync relied on your consent to process your personal information.

You have the right to complain to a Data Protection Authority about our collection and use of your Personal Data. For more information, please contact your local data protection authority in the European Economic Area (EEA).

Service Providers

We are using third party services like Google Calendar API and Microsoft Graph API to obtain permission to use your data. We also use these services to retrieve the corresponding calendars and event data from your calendar account.

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
